From Neil A. Kjos Music Company : WG100 - The Solo Lute Works of Johann Sebastian Bach for Guitar before purchasing it in order to gauge whether or not it would be worth my time, and all praised WG100 - The Solo Lute Works of Johann Sebastian Bach for Guitar:

This collection edited by Frank Koonce features transcriptions of the complete solo lute works by J. S. Bach in a modern guitar notation. This revised second edition provides a thoughtful combination of scholarship and practical performance solutions. It includes not only historical data, articles discussing aspects of baroque performance, and facsimiles of the original manuscripts, but also authoritative fingerings, interpretative remarks, and convenient foldout pages. This collection is an essential learning tool for guitar students, and a wonderful addition to any professional

guitar's repertoire.
