Whites Magic is a comprehensive look at magic, mentalism, and psychic readings. The author, Corey White, is a member of the International Brotherhood of Magicians and has been studying magic for over a decade. This easy-to-follow, step-by-step guide, includes complete scripts for psychic reading and an entire guide to real magic. You will also learn break through slight of hand techniques, that magicians don't want you to know. This is the real work on modern magic. This revised edition has been updated as of Oct 31 2016 and contains more of the great magic that was found in earlier editions.
