Keri Davies : Who's Who in the Archers 2010 before purchasing it in order to gage whether or not it would be worth my time, and all praised Who's Who in the Archers 2010:

To the five million listeners who tune in every week to the world's longest running drama series, *Who's Who in the Archers* has become a perennial favorite. It's the first point of reference when those taxing questions arise, such as: How old are Kenton Archer and his twin sister Shula? Who runs Ambridge Golf Club? Where is Casa Nueva? Who puts the fear of God into Robert Snell? The 11th edition of this handy pocket guide tells you everything you need to know about the archetypal village that is Ambridge. Work out who's related to whom, find out where they all live, and gain an insight into feuds and scandals past and present. If you're a regular listener, or you simply want to find out what all the aficionados are talking about, *Who's Who in The Archers* is indispensable.

About the Author Keri Davies has worked on *The Archers*, first as a producer and then senior producer, since 1992
