GoethelThis is a good book to put on a book shelf and refer to when you have a question about a saying or term. I wasn't totally impressed.half of the sayings in the book I had never heard of, which limited its usefulness to me. Of the ones I did know of, the descriptions seemed likely, although I know of no way of telling with certainty. If you want to buy it, it might come in handy for trivia questions, or just general knowledge1 of 1 people found the following review helpful. Fun and fascinating read!By LindylouThis is a fun and fascinating book to read! We put it in our guest room for recreational reading and guests told us they have enjoyed it as well.1 of 1 people found the following review helpful.
