A Great Grateful Dead Book! By Bob W. Michael Benson's book is a great and easy read. What a long, strange trip its been

"The most provocative parts of the book are when Benson moves away from writing about the Dead qua Dead and tells us about his and others experiences of the band. Chapter 31 in particular, which narrates a trip to a Jerry Garcia Band concert, is full of fascinating details and perspective related to what makes rock shows exciting. Library Journal
