Stephen Schwartz : Wicked - Piano/Vocal Arrangement before purchasing it in order to gage whether or not it would be worth my time, and all praised Wicked - Piano/Vocal Arrangement:

1 of 1 people found the following review helpful. Schwartz at his Best!By Pat Fifield - Author PlaywrightThis is an excellent music book! Stephen Schwartz is a theatre genius. My husband is a composer, and enjoyed this arrangement book as a gift from me.1 of 1 people found the following review helpful. Excellent choice for any Broadway fan!By Vash'jinnWe saw this twice when it comes to our town. My daughter loves the show, so it was obvious that she needed this book! Her piano teacher was one of the local musicians hired to play both times it came to town so she has a connection to the music in this book. It's fairly easy to pick up for an intermediate or advanced player. Wouldn't recommend for a beginner.1 of 1 people found the following review helpful. I use it as a teaching tool in my voice

studio as it is a great favorite. By Susan Moore Jordan This book of vocal selections is well worth having in your music library! Most of the important songs in the show are included and the book is well presented. I use it as a teaching tool in my voice studio as it is a great favorite ... and deservedly so ... with young performers.

(Vocal Selections). Nominated for a whopping 10 Tony Awards in 2005, *Wicked* is an undeniable Broadway smash! A prequel to the all-American classic *The Wizard of Oz*, this new musical is a character study of Elphaba and Glinda, school roommates who grow up to become the Wicked Witch and the Good Witch, respectively. We are very proud to offer several songbooks featuring this delightful music, including a Vocal Selections book which contains the vocal line with piano accompaniment (00313268), and a Piano/Vocal Selections book, in standard piano/vocal format with the melody in the piano part (00313267). Songbooks feature a special section of color photos from the production, a note from composer/lyricist Stephen Schwartz, and these fantastic tunes: *As Long as You're Mine* * *Dancing Through Life* * *Defying Gravity* * *For Good* * *I Couldn't Be Happier* * *I'm Not That Girl* * *No Good Deed* * *No One Mourns the Wicked* * *One Short Day* * *Popular* * *What Is This Feeling?* * *The Wizard and I* * *Wonderful*.
