embarrassed to say how quickly I finished these puzzles. It's not that the puzzles are easy, I just spent an unbelievably large amount of time on them! The first 25 in this book are rated "Moderate"; the next 75 are rated "Demanding", and the last 100 are "Beware! Very Challenging". This progression in difficulty was interesting and kept the puzzles challenging. Will Shortz is amazing. I am now shopping for another book of "Hard" puzzles by the same man.
