The first part contains "Demanding" puzzles and the second part contains "Beware, Very Challenging" puzzles. I love doing these. I started with the "demanding" puzzles and moved on to the more challenging ones. Since I enjoy doing these very much, bough three more books to give to my mom, dad and sister. They are now all in to Sudoku :-)

review helpful. Puzzle master By James Simon Will Shortz is indeed a puzzle master. The 100 "demanding" puzzles averaged about 25 minutes and the 100 "Beware! Very challenging" about 30-35. I only had to resort to bifurcation in 6 puzzles and it was probably because I missed something. I solved 194 puzzles using logic alone. I found the title "Deadly Sudoku" very accurate. 0 of 0 people found the following review helpful. Five Stars By mas expected
