Five Stars By mGood, but high prices. 2 of 2 people found the following review helpful. inconsistent? By BC Hiker mkr The section "Beware, very challenging" starts out that way, but about half way through it becomes about the same as the medium and demanding puzzles. The hardest ones require finding triplets or quadruplets to unlock them, but then much easier. I personally would like a book of all hard puzzles that don't require little numbers to find things like quadruplets. Is that too much to ask, Will?
