5 of 5 people found the following review helpful. great bookBy NancyWill Shortz never disappoints me. Good book but my the title all I thought all puzzles would be very difficult or his "Beware Very Challenging" but actually the first group was pretty easy I think called moderate with the next two groups being difficult and beware very challenging.1 of 1 people found the following review helpful. Sudoku entertainmentBy Dr. SueMy husband loves Sudoku and any

book, but Will Shortz's difficult books are just not challenging enough. These are not for rookies, although there are some puzzles in the beginning that are intermediate to hard. 3 of 3 people found the following review helpful. Not very difficult. By New Mexico customer The hardest puzzles in this book are not very difficult! I wish Will Shortz would make some puzzles one level harder than the 'Beware! Very Challenging' level.
