From St. Martin's Griffin : Will Shortz Presents Outrageously Evil Sudoku: 100 Deviously Difficult Puzzles before purchasing it in order to gage whether or not it would be worth my time, and all praised Will Shortz Presents Outrageously Evil Sudoku: 100 Deviously Difficult Puzzles:

0 of 0 people found the following review helpful. My husband loves this!By Kathryn T.I bought this for my husband

for Christmas as a stocking stuffer! He's borderline genius so I thought this would be fun and hopefully hard enough to keep his interest! It defiantly has!! When he first opened it he laughed but after doing the first one he said "man this is actually challenging" haha! Months later hes still very much into this book and loves getting a few free minutes to work on one! He takes it on very business trip and always tells me that this was one of the best stocking stuffers ever!0 of 0 people found the following review helpful. Encore!By John P. KieranI liked this book so much I bought it a second time. I did all these puzzles a few years ago. I remembered enjoying them and I realized that it's not like most books that I don't care to read again. I'm enjoying solving all these puzzles again. They're plenty challenging, but I can solve most of them. Time spent on Sudoku is peaceful time immersed in attention and the creative use of logic.1 of 1 people found the following review helpful. Outrageously Evil ForsureBy frazanGot this for my wife. She is just unbelievable at solving Sudokus....none seem to stop her for very long. Along coms Will Shortz and guess who gets occasionally stopped? That's right, even the Sudoku Master sometimes takes days to solve one of these. I was worried that there are only 100 sudokus in this book and that all would be solved and book, being completed by The Master, would be in the trash. Not to be....she loves it and loudly shouts "I've solved another one of these nightmares". For beginners or even semi-accomplished, don't get this book, you'll be frustrated beyond.

Sudoku fans everywhere have spoken and they are eager for more challenging puzzles. This book of 100 mind-melting puzzles is for the bravest sudoku solvers! Grab a pencil and match your wits against the hardest puzzles the Puzzlemaster has to offer.Features: 100 super challenging puzzles Edited by legendary New York Times crossword editor Will Shortz Big grids with lots of space for easy solving

A puzzling global phenomenon The EconomistThe biggest craze to hit The Times since the first crossword puzzle was published in 1935. The Times of LondonEngland's most addictive newspaper puzzle. New York magazineThe latest craze in games BBC NewsSudoku is dangerous stuff. Forget work and familythink papers hurled across the room and industrial-sized blobs of correction fluid. I love it! The Times of LondonSudokus are to the first decade of the 21st century what Rubik's Cube was to the 1970s. The Daily TelegraphBritain has a new addiction. Hunched over newspapers on crowded subway trains, sneaking secret peeks in the office, a puzzle-crazy nation is trying to slot numbers into small checkerboard grids. Associated PressForget crosswords. The Christian Science MonitorFrom the Back CoverSudoku: One of life's simple pleasuresSudoku has taken America by storm! Puzzled by the wordless crossword puzzle? Try one or two of these simple, easy-to-solve sudoku and you'll discover what millions of fans already know: There's nothing as fun as sudoku!Features: 100 all-new simple sudoku Edited by legendary New York Times crossword editor and "America's puzzlemaster" Will Shortz Big grids with lots of space for easy solvingAbout the AuthorWill Shortz has been the crossword puzzle editor of The New York Times since 1993. He is also the puzzlemaster on NPR's Weekend Edition Sunday and is founder and director of the annual American Crossword Puzzle Tournament.
