Best thing about this series of books is that they only have Demanding and Beware, Very Challenging! I skip back and forth with both types depending how much time I have to solve the puzzle. 15-20 minutes for Demanding. I am not a super difficult solver but find these all doable.3 of 3 people

found the following review helpful. Highly recommended!By Tim DThis was a gift. The recipient likes it very much. The physical size is perfect, and it is clear and easy to read. There are two levels of difficulty, demanding and very challenging. They are enjoying both levels and like having a choice between them.0 of 0 people found the following review helpful.
