I'm looking for one of his books that has all the puzzles of the same degree of difficulty as the last 100 in this book. That would be worth the money. Once you attain a certain level of efficiency, getting a book that has different degrees of difficulty really doesn't make sense. The beginning of

those books is usually a waste. Even better for me, a book with the second 100 from this book, then a few a notch higher would be even better. 5 of 5 people found the following review helpful.
