would be better if it had more extreme and no easy. I don't bother with the easy.5 of 5 people found the following review helpful. will shortz is greatBy T. nygaardwill shortz is the only soduko i like. it has a "mood". when i try inferior sodukos, it seems like i reach a impossible point, a two-possibility answer (both legit), or it's just too darn easy. this doesn't happen with shortz. all possible, ONE unique answer, correctly rated within a point difficulty level. i only do the difficult and extreme ones. thanks.0 of 0 people found the following review helpful.
