The puzzles are easy and you can get cross-eyed if you work these too long. I was in the hospital for a while and I worked these puzzles to forget the misery of being in a hospital. It at least made the time go by. There are 300 puzzles and I do not work them in order. I skip around. I even cheat upon occasion. All is fair when one is in the misery of a hospital. A luxury cruise liner it is not. I am still working these because there are a lot of them! I am still enjoying them. 0 of 0 people found the following review helpful. 3 easy.
