From Shortz Will : Will Shortz Presents 'Tis the Season Sudoku: 335 Easy to Hard Puzzles before purchasing it in order to gage whether or not it would be worth my time, and all praised Will Shortz Presents 'Tis the Season Sudoku: 335 Easy to Hard Puzzles:

more upscale than usual with these books, and the print and boxes are large. This would make a good gift for someone already doing Suoku, but I would not recommend it for a "newbie" because of the mix of puzzles, which is weighted towards the more difficult ones. In addition, there are no instructions in the book, so the owner must already know what he or she is doing. The book is somewhat bulky and not suitable for throwing into a purse to take with you. My rating of four stars reflects my personal preference for more easy puzzles, and somewhat better portability. However, the quality of the puzzles and the upscale nature of the paper and bindings argue for a rating of five stars. 0 of 0 people found the following review helpful. Great Fun By Richard King Another great spiral sudoku from Will Shortz 1 of 1 people found the following review helpful. I like "Will Shortz" Sudoku books By Linda DI like "Will Shortz" Sudoku books.
