2 of 2 people found the following review helpful. Great Brain Exercise By C. Wong I started buying Shortz Sudoku books when I read an reviewer say that Will Shortz are her husband's favorite. Now they are my husband's favorite. We have searched at bookstores for sudoku books and never bought any of them because they were all too easy. This is the right level for my husband. He treasures his sudoku time in the morning and says when the puzzles are too easy

they just aren't fun. If they are too difficult, he gets frustrated. But this has the right amount of Brain exercise for him.³ of 3 people found the following review helpful. Not very tricky

Addicted to Sudoku. At 70, I find different ways to exercise my brain, and Sudoku is one of them. I hate buying magazines and having to throw away the easy and medium puzzles. Love having these that start with difficult and then get harder!

Can you handle it? These puzzles are going to throw you for a loop!
