Gioacchino Rossini : William Tell before purchasing it in order to gage whether or not it would be worth my time, and all praised William Tell:

Title: William Tell Composer: Gioacchino Rossini Original Publisher: Jurgenson The complete William Tell by Rossini, arranged for solo piano, as originally published by Jurgenson in 1870. Performers Reprints are produced in conjunction with the International Music Score Library Project. These are out of print or historical editions, which we clean, straighten, touch up, and digitally reprint. Due to the age of original documents, you may find occasional blemishes, damage, or skewing of print. While we do extensive cleaning and editing to improve the image quality, some items are not able to be repaired. A portion of each book sold is donated to small performing arts organizations

to create jobs for performers and to encourage audience growth.
