**From Alfred Music : William the Crack Shot Kid: Book CD (The Music Literacy Art Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised William the Crack Shot Kid: Book CD (The Music Literacy Art Series):

Also, the book gives the time so it links up nicely with the CD. I'll be using this as my introduction to the William Tell Overture with my students.

The books in this series are designed to combine music, text, and illustrations as a way of telling stories written specifically for young children. Works by Ralph Vaughn Williams. Camille Saint-Sans, and others are used as a backdrop for each story. The destruction of the apple tree had brought a time of great sadness and despondency to those living nearby. However, one day the signs of new life on the tree cause a real stir. Discover how William turns this new hope to everyone's advantage. This story introduces The William Tell Overture by Gioacchino Rossini.
