Milne A.A : Winnie the Pooh (Pinyin Edition) (Chinese Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Winnie the Pooh (Pinyin Edition) (Chinese Edition):

This set of book selects classical literature masterpiece in and abroad with creative downsizing based on respecting the original works major contents; it retains original books wonderful plots and principle developing lines, and helps readers comprehend original works in short time, which aggress with modern peoples psychological expectation of reading classics better, faster and more economically and well popularizes masterpieces among young children. All of

books are all noted with Pinyin.
