## VERY SATISFIED WITH THE BOOK

This new edition shows beginning and intermediate players learn how to beat any single or multiple deck blackjack game in the world. More than fifteen chapters show the rules, variations, options, basic strategies, and master charts for correct play for all blackjack games, including the latest rules changes. Players learn smart money management, how to maximize profits, simplified counting methods, and how to get free rooms, meals and shows just for playing. This comprehensive book includes a tipping guide, eight rules of self-discipline, five practice quizzes, money management, and sage advice for being a winner.
