DIRECT SALES : WINNING EDGE POCKET SIZE BLACKJACK STRATEGY CARD. SET OF 100 before purchasing it in order to gauge whether or not it would be worth my time, and all praised WINNING EDGE POCKET SIZE BLACKJACK STRATEGY CARD. SET OF 100:

Every possible player hand and dealer up-card combination is shown on the reverse side. Take this card with you to the tables. Most casinos will let you use it provided you do not slow up the game. If you are a beginner, sit at the far left so that more time is available to evaluate your hand. The following chart shows you how using this strategy can help you overcome the disadvantage of having to draw first.
