0 of 0 people found the following review helpful. Win the lottery? Not.By Wayne ZoetemanYou want to win the

lottery? Don't buy this book and spend it on tickets. Yes this book sucks. Not worth the money at all. Waste of time to read. 1 of 1 people found the following review helpful. Not worth the money  
By Don B. Puryear, Jr. No real insight on how to win at Lotto. I would ask for my money back if they would accept the book in return. 2 of 5 people found the following review helpful. Comprehensive information  
By D. Kaiser I bought this book because I had seen a similar one reviewed on a TV show. This provides interesting information on tips about playing the lottery and what to do and NOT do.

Is winning the lottery jackpot a goal you'd like to achieve because you're seeking financial independence? Or simply because you find it challenging? In this book, I'll share with you my lottery playing experiences and insights. Together we'll probe the concept of windows into the future, lateral thinking, number bias, and oracles. After reading this book, I hope you'll feel motivated to generate your own ideas for developing playing strategies to help bring your playing skills to a whole new level. You don't have to be a genius or mathematician to win the lottery. As a bonus, I'll reveal the most important secret all lottery players should know in order to win jackpots. Good luck!" C.F. Keller has taught me to become a winner in the lottery. With improved skills, I know that a jackpot of some kind is in my future. I must also comment that the basic quality of my life has improved." ? Janis Smith, Senior Manager/Quality Assurance.
