From Alfred Music : Winter's Serenade: Sheet (Signature Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Winter's Serenade: Sheet (Signature Series):

This appealing solo is written in a romantic waltz style. The 3/4 meter helps to create a lilting melody in G major that is at once both lyrical and whimsical. A light treatment of the left-hand broken chords is essential to keeping the piece flowing. Perfect for any time of year, this piece is sure to become a favorite of both teenagers and adults.
