David Oconner : Witcher 3: Your Best Unofficial Player's Guide: A Comprehensive Walkthrough before purchasing it in order to gage whether or not it would be worth my time, and all praised Witcher 3: Your Best Unofficial Player's Guide: A Comprehensive Walkthrough:

0 of 0 people found the following review helpful. Only has basic game walkthrough.By C. M. ViningI was hoping that

this game would have some information about the Hearts of Stone DLC but found out after purchasing it that it only has walkthrough information for the basic game. I haven't had a chance yet to use any of the rest of the information, so may modify my review later if it proves an extraordinary value otherwise. As it stands now, it is useless for the DLCs and not overly useful to me for the rest of the game.

Witcher 3 is the sequel to the bestselling series Witcher I and Witcher II. The Witcher 3 differs in quite a few aspects from Witcher I and II, which we will cover in this guide. The world is extremely vast, with one map taking up to a week to complete and explore. You will discover alternate endings, find detailed information on enemies, characters, maps, weapons, etc.

About the Author David Oconner has been writing and publishing books on many of his varied interests.
