Best Bidding Wheel for Wizard!By Julie LeakeBest counter of all the ones we've tried for recording the tricks bid in a Wizard game. We play concealed bid, so the wheels work well. This set of six bid indicator wheels helps players keep track of Wizard Card Game players' bids. Each player receives his/her own individual bid wheel. After the Wizard cards are dealt, each player indicates on the bidding wheel how many tricks he expects to win. The Bidding Wheels help players keep track of other players' bids. Bidding Wheels can be used with all versions of Wizard Card Games: Original Wizard Card Game, Fantasy Wizard, Wizard Large Index, Canadian Wizard Card Game, and Wizard Let's Play Edition.
