0 of 0 people found the following review helpful. Challenging but fun By Robert Hicks I enjoy these books and look forward to succeeding volumes. 0 of 0 people found the following review helpful. Five Stars By Flynda R. Russette Love doing fill in puzzles.

Volume 2 of the already very popular Word Fill-in Puzzles series. This one is just as much fun as the first! Word fill ins are like a crossword puzzle without the clues. Instead you are given the words and you must figure out how they fit

into the grid. This sort of puzzle exercises the eyes and the brain and are great for keeping the noggin sharp. Many hours of puzzling enjoyment await you.
