I usually ignore starter words in other puzzle books0 of 0 people found the following review helpful. Five StarsBy Karen A. NicholsGood but would love it more if the puzzles were themed.0 of 0 people found the following review helpful. Good quality paper and fun!By NWloveLove the whole series, look forward to volume 4!

These puzzles DO NOT have a starter word. However, at the beginning there are two hints. If you have never worked a word fill-in, I recommend you to start with volume 1 or 2. Grab your favorite beverage, most comfy chair, and put

on your favorite music and relax.
