**L D Crowie : Word Ladders in Extra Large Print** before purchasing it in order to gage whether or not it would be worth my time, and all praised Word Ladders in Extra Large Print:

How difficult can it be to turn DOG into CAT, DIRT into GOLD or GIRL into MALE? If you love word ladder puzzles and you have very poor eyesight then this is the puzzle book for you. Formatted in extra-large 24 point Verdana it will provide ease of use to anyone with very poor eyesight. The word ladders start of very short and easy and get progressively longer without getting excessively difficult. The answers are provided at the back of the book.
