This is volume 2 of the Word Searches series with all new puzzles and words! The puzzles in this collection have an additional twist: unused letters in the grid which do not belong to any of the search words form another word, which represents the solution of the puzzle. Its something to look forward to while solving and it will motivate to persist in finding those hidden words! Each puzzle has a theme: from movies, books, TV shows, authors, sports and athletes, science and math terms, animals, flowers and other plants, to words that will test and improve your vocabulary. All letters are printed in a large font so you dont need a magnifying glass to find them! ENJOY! :)
