Kenneth Quinlan, WMC Publishing : Word Search Puzzles Featuring World Class Golfers (Word Games And Word Search Puzzle Books For Adults) (Volume 13) before purchasing it in order to gage whether or not it would be worth my time, and all praised Word Search Puzzles Featuring World Class Golfers (Word Games And Word Search Puzzle Books For Adults) (Volume 13):

Word game books are great fun and the 50 word find puzzles in this book, each of which is based on the names of world class golfers, is no exception. Each word find game grid hides 40 names and, to keep things interesting, names

can be placed horizontally, vertically or diagonally and can be entered as standard left-to-right text, or entered backwards!As with many word find puzzle books, the names hidden in each game are listed below the grid and, just in case you get stuck, the book also contains the solution for each puzzle.While this puzzle book is clearly suitable for adults, older kids will also find it to be great fun.
