If you want to win at this game the developers have made it easy for you- all you have to do is give them more money through purchasing gold in the game with your hard earned money. There is no strategy anymore it's all about who is the biggest wallet warrior and if you have the most money invested in your

tank- you win.0 of 0 people found the following review helpful. Great GuideBy nataile hobbsThere are Many tips in the book. Great Guidethanks
