Good Information, Beautiful Design -- Inexcusable Kindle Rendition By Charles Galvin The information contained in this guide will be extremely helpful for players new to World of Warcraft and those who have recently upgraded to Mists of Pandaria. The graphics are absolutely beautiful. The physical book is everything one would expect; the Kindle version is a major disappointment. First, it can be viewed only on a handful of devices--check the link on the product page to be sure yours is compatible before

purchasing. Notably, it cannot be viewed on any desktop computer. Second, it appears that to make the Kindle edition, the printed book was photographed, not processed from the electronic file. This means that there are no hyperlinks and no searchable text. The images are surrounded by significant white space unless you manually resize each page as you come to it. There is much pinching, spreading and swiping involved in reading this book electronically, and you must read the table of contents and then manually enter the page number to go there. To my mind, there is no excuse whatsoever for the lack of attention paid to the Kindle rendition. Unless you urgently need to have it with you on the go and don't want to carry a heavy tome, you will be better served by getting the print version. You will certainly be able to read it more easily and comfortably in print. How unfortunate. And inexcusable. 0 of 0 people found the following review helpful. basically a waste of money By NJH51 While the content may be fine, I can't tell. This only works on mobile devices, not on the computer. The print is way too small for any normal person to read. From what I can see, it is mostly the same as the beginner's guide that I got with Battle Chest. I'm sure there is some new material, but again, it is not readable on either my 7" Kindle or my 10" iPad2. 'Not sure why. 0 of 0 people found the following review helpful. Must have Pandaria guide By Richard World of Warcraft has expanded the system adding new character choices and lands to explore in Mists of Pandaria. Every scene is well thought presenting challenges for new players and old experienced gamers too. They have raised the levels of experience each player can achieve through completing quests, gathering needed items for crafting, or creating items within their chosen professions. This guide contains many useful tools for making your adventuring within Mists of Pandaria more fulfilling. Complete atlas for old and new areas of play with descriptions places of interest. A introduction to the newest playing class Monk of Pandaria with guidelines for play. A description of many changes with this new expansion, including magic items, armor, and character spells and abilities. A really good basic guide you will reach for after you've mouse eared the pages.

Explore A New Continent - Explore the Lost Continent of Pandaria with detailed maps of each zone, and what resources you'll find in them as you guide your characters to level 90. Pandaren: A New Ally or a New Enemy? - Pandaren, the all-new race for Mists of Pandaria, can choose to join either the Horde or Alliance in their on-going struggle for supremacy of Azeroth. Be ready to welcome them to your side or face them in combat! A New Class: Monk - You get tips for tackling the challenges of World of Warcraft as the all-new Monk class, including managing their resource: Chi. Pet Battles - Inclusive Pet section offers an in-depth look at each pet family, along with individual pet abilities. An Introduction for New Players - Updated for Mists of Pandaria, this easy-to-follow section covers the basic concepts and controls of World of Warcraft. Even if this is your first online game, you won't feel overwhelmed in World of Warcraft. You also get updated information for... Account-wide Pets, Mounts, and Achievements Reputations and Rewards. Every Profession. And Much More! About the Game Building off the success of World of Warcraft: Cataclysm, Mists of Pandaria introduces one new playable race (Pandaren), a new playable class (Monk), and introduces the Island of Pandaria. With the expansion, players can use all new class/race combinations to reach level 90. All new dungeons, raids, and PVP challenges await players around the world!
