Richard A. Knaak : World of Warcraft: Night of the Dragon before purchasing it in order to gage whether or not it would be worth my time, and all praised World of Warcraft: Night of the Dragon:

0 of 0 people found the following review helpful. Great book! Especially if you play the game!By Jamie BiasiMy teenager has been playing the game on and off and began reading these books from our library. These were great additions to her easter basket this year!0 of 0 people found the following review helpful. Good for sleepy time I guessBy Kimberley DeuelI have loved every Warcraft book Richard A Knaak has written that I could read on my Kindle except this one. The story floats around too much and I had a hard time keeping up. I generally read before I go

to sleep, and some of his work has kept me up till the wee hours of the morning. This one had me passing out after just a couple pages. I just didn't find the characters very interesting like I did with his other works. I did not read the book before this one because I can't get it on Kindle. That might have helped. 0 of 0 people found the following review helpful. This was really poor quality, but I did get the Kindle edition ...By NateDoes he not understand paragraph structure? It has a jarring quality where the story jumps from one character to the next without so much as a paragraph break. If I hadn't read other Knaak books I would have guessed this was his first based on the quality alone. Was there an editor? I don't think so. Or if there was he should be let go. This was really poor quality, but I did get the Kindle edition so maybe it is better on paper but I doubt it. I want my 1.99 back.

Grim Batol: its dark legacy stretches back into the mists of Azeroth's past. But most know it as the site of a terrible tragedy -- where the vile orcs corrupted the hatchlings of the noble Dragonqueen, Alexstrasza, and used them as weapons of war. Though a band of heroes, led by the enigmatic mage, Krasus, defeated the orcs and freed the captive dragons, the cursed mountain stands as another ravaged landmark within the... WORLD OF WARCRAFT But now Krasus -- known to some as the red dragon Korialstrasz -- senses the malice of Grim Batol rising once more to threaten those he holds dear. Determined this time to confront this evil by himself, he is unaware of the quests that will draw others to Grim Batol and reveal the monstrous truth that could not only herald their deaths, but usher in a terrible new age of darkness and destruction.

About the Author Richard A. Knaak is the New York Times bestselling author of some three dozen novels, including the The Sin War trilogy for Diablo and the Legend of Huma for Dragonlance. He has penned the War of the Ancients trilogy, Day of the Dragon and its upcoming followup, Night of the Dragon. His other works include his own Dragonrealm series, the Minotaur Wars for Dragonlance, the Aquilonia trilogy of the Age of Conan, and the Sunwell Trilogy -- the first Warcraft manga. In addition, his novels and short stories have been published worldwide in such diverse places as China, Iceland, the Czech Republic, and Brazil.
