From Watson-Guptill Pubns : World Radio TV Handbook 1996 (Vol 50) before purchasing it in order to gauge whether or not it would be worth my time, and all praised World Radio TV Handbook 1996 (Vol 50):

An authoritative communications and broadcasting references furnishes country-by-country listings of shortwave

stations, addresses for the world's television stations, a guide to broadcasts in English, international radio listener clubs, and other valuable information. Original.
