For those who may be starting out in magic but are fairly serious about it, Modern Coin Magic is a much better value.4 of 5 people found the following

Great tricks, easy to understand. It's a great book to flip through. At parties and around kids, I have shown off these tricks, and they are very impressive. The book is well worth your money.

Hit your forehead, wave your arms, cough-and pull a coin out of your mouth. Over 50 coin tricks, with dozens of illustrations, are simple to learn. Bonus: expert tips to make the audience howl as it's being fooled! 128 pages, 89 b/w illus., 5 3/8 x 8 1/4.
