Charles Barry Townsend : World's Best Magic Tricks before purchasing it in order to gauge whether or not it would be worth my time, and all praised World's Best Magic Tricks:

2 of 3 people found the following review helpful. Overall good, but could use some work. By A Customer Dear fellow magicians. This is a good book for the beginner and some for the amateur. The best trick in the book would be the production box. He gives instructions, but no dimensions or measurements. He could have done a better job on the trick

selection and maybe done some more advanced tricks(just incase your advanced). But he did do a good job. If your a beginner looking for a good book to learn patter or some fairly good tricks, than this is the book for you.

Make a knife levitate, a glass disappear and a coin dissolve in an ordinary glass of water! Master magician Townsend guides you step by step, with dozens of how-to illustrations that reveal the secrets behind more than 30 truly astounding magic tricks. 128 pages, b/w illus. throughout, 5 3/8 x 8 1/4.
