My daughter loves the "Would You Rather" card set she has but is always losing cards. I thought the book would be great because there are no cards to lose. However, when my 6 year old picked it up and started reading

"Would you rather have sex with a person with no arms or a person with no legs?" that was not cool.4 of 4 people found the following review helpful. Adult book only!By TanyaThis book is not for 8 and up as it says. This is an adult book! I had to rip out a lot of pages before I could give it to my pre-teen. A totally inappropriate book.0 of 0 people found the following review helpful. Fun for road tripsBy WigbagBought as a gift for a friend, but had to read it first. Offers crazy dilemmas that often end up being interesting conversation starters. Some of them are really gross or funny. Probably not for people who are easily offended or don't have a sense of humor.

Warning:This book contains shocking content meant to inspire hilarious discussion. Questions may be twisted , sick and wrong but each is a field-tested conversation starter that is guaranteed to provoke ridiculous fun, break the ice at any party,and -if played correctly- open a window into the twisted imaginations of friends and family. Would You Rather...? takes the idea of parlor game questions to a new level of debate and lunacy. It's a chunky book of 400 questions that range from the heinous to the nauseating to the downright disturbing, each a field-tested conversation starter-because no matter how strange or far-fetched, Would You Rather...? knows that choice provokes thinking, and thinking is fun.Some questions, like a Rorschach test, reveal values: Would you rather . . . Age only from the neck up-OR-age only from the neck down? Be stupid and rich-OR-smart and poor? Some delight in their own grossness: Eat three earthworms-OR-wear a necklace made of them on your wedding day? Be trapped in an elevator with wet dogs-OR-three fat men with bad breath? Some churn up prejudices: Lose your mate to the same sex as yourself-OR-the opposite sex? Some create that squirming sensation: Get a bad case of poison ivy way up inside your nose-OR-inside your inner ear? Or ethical dilemmas: Be president of a firm that poaches endangered species-OR-work for a corrupt politician? And some are just deliciously absurd: Catch a porcupine thrown from a second-story window-OR-a skunk thrown from the same window? Each question is followed up with related, often off-the-wall information, from odd trivia to dumb jokes to the occasional practical advice (go for the skunk--the porcupine's got 30,000 quills, while tomato juice will take away the skunk smell).
