Just because this book is expensive doesn't mean it is the best. 0 of 0 people found the following review helpful. One Star By Michaela The driest text book ever. 0 of 0 people found the following review helpful. Skim Skim Skim Some More By wearingclothesperson The author is very knowledgeable that is certain, but he is terribly verbose overall. If he wrote more simply then the book would be half the size it is. This is the case for numerous textbooks so I'm used to this by now, but still it makes me bitter. The pictures are helpful, but the script formats are not as concise as they should be.
