4 of 4 people found the following review helpful. Great collection. Typical sheet music book By MsKindleReader Great collection. Typical sheet music book. Not just compatible for guitar chords, but can be used to play any instrument if you read music and can adapt it. Not the "beginner" version, should have a good understanding of the material before this book. 1 of 1 people found the following review helpful. Perfect for an Ed Sheeran Lover By Customer This product arrived in perfect condition. I got my husband a keyboard for christmas and wanted him to have some music that he

likes to play. This book is absolutely perfect! The only con is that it came a day late.3 of 3 people found the following review helpful. love it - super clear accurateBy Lucy LeeEd's beautiful music is clear and easier to play than I thought thanks to this book. And it has all the songs. Perfect.
