**Bach, Steve, O'Reilly, John : Yamaha Pop-Style Solos: Clarinet/Bass Clarinet (Yamaha Band Method)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Yamaha Pop-Style Solos: Clarinet/Bass Clarinet (Yamaha Band Method):

This enjoyable collection features 15 solos with piano accompaniment or play-along CD. The pre-recorded accompaniments feature orchestrations which provide a sparkling showcase for the young performer while they help

solidify rhythmic accuracy and improve intonation. And they make practicing more fun too! Correlated with the Yamaha Band Student, Book 1.
