Steve Bach, John O'Reilly : Yamaha Pop-Style Solos: Piano Accompaniment (Yamaha Band Method) before purchasing it in order to gage whether or not it would be worth my time, and all praised Yamaha Pop-Style Solos: Piano Accompaniment (Yamaha Band Method):

This enjoyable collection features 15 solos with piano accompaniment or play-along CD. The pre-recorded

accompaniments feature orchestrations which provide a sparkling showcase for the young performer while they help solidify rhythmic accuracy and improve intonation. And they make practicing more fun too! Correlated with the Yamaha Band Student, Book 1.
