Steve Bach, John O'Reilly : Yamaha Pop-Style Solos: Trumpet/Baritone T.C. (Yamaha Band Method) before purchasing it in order to gage whether or not it would be worth my time, and all praised Yamaha Pop-Style Solos: Trumpet/Baritone T.C. (Yamaha Band Method):

0 of 0 people found the following review helpful. Playing the trumpet againBy Steelg8mzI purchased this so that I could start reading music and playing again.-I haven't played the trumpet in over 30 years. Familiar songs is what I was after, so this book was a good choice for me.

This enjoyable collection features 15 solos with piano accompaniment or play-along CD. The pre-recorded accompaniments feature orchestrations which provide a sparkling showcase for the young performer while they help solidify rhythmic accuracy and improve intonation. And they make practicing more fun too! Correlated with the Yamaha Band Student, Book 1.
