This is a must book if you have ever walked into a casino and played the game of blackjack. This book is believed to be the first investigative look into the game of blackjack. Written by award winning television investigative reporter Peter Karl, it picks apart every possible hand one can get while playing blackjack. Karl played tens of thousands of hands of blackjack and literally recorded thousands of hands to show readers the true odds of winning. Karl even took lessons for a year from the author of "The World's Greatest Blackjack Book". Karl outlines how you can become a good player if you can develop the discipline it takes to become a winner.
