By Raphael Ricardo JOHNNY DOLLAR - a favorite of my Dad's when younger and recently found these INVALUABLE. My Dad had restless nights trying to sleep and listened to YOURS TRULY Johnny Dollar - Helped him pass the time while resting in bed. Voice acting clear - Digitally restored and remastered - quiet and static free. (w/o hearing aids he could hear it easier)- Compelling characters !- Intriguing stories !- Intuitively graspable plot lines ! A time capsule gem ! rather interesting to hear the price of cab fares and coffee. With my Dad's health decline all these stories were like familiar old friends.. readily comprehensible to reminisce and enjoy.. The stories are

seemingly intricate with lots of details, yet ultimately simple and easy to follow. Johnny Dollar has murder and intrigue, yet by today's standards the stories seem as benign as Disney. (I couldn't help but overhear them, he played them so loud)PLEASE NOTE:1. My Dad found it annoying to try to sleep with the TV on (The light bothered him. Fortunately, radio can be enjoyed in the dark)2. My Dad also enjoyed Satellite radio bedside, However, Johnny Dollar CDs gave more control of what he listened to - he could pause, restart and change to choose which stories to listen..4 of 4 people found the following review helpful. Johnny Dollar Insurance InvestigatorBy Nonna's HouseI love all the old programs. I seek out all the old black and white movies, TV shows, etc. I remember, as a child, listening to the radio programs. We did have a TV, but it was before you had 100's of stations,etc. Radio was still big.I discovered Johnny Dollar after getting a satellite radio and found the old time radio station. Johnny Dollar quickly became one of my favorites. When my grandchildren are in the car with me they love listening as well. One of them said it is like having the TV in your head, you just imagine what they are doing, and what they look like. WOW....Imagination...imagine that...LOLI found this DVD's on and was so happy. Now I can listen anytime I want. I am going to collect them all, as well as, some of the other programs.1 of 1 people found the following review helpful. A guy's guy (but we ladies love him too!)By IsoThis radio classic series is fabulous! Bob Bailey is the best as Johnny Dollar. My husband just loves listening to this!

Everyone's looking for a way to beat the insurance system, but most of us aren't willing to cheat it. Those who are may be ready to do more than deceive and stealthey may be prepared to kill. The bullets fly and the criminals lie, but the payoff isn't a sure thing - not when ;the system; calls in unflinching freelance investigator Johnny Dollar! Bob Bailey stars as Dollar in six digitally restored and remastered five-part serials. Wherever he goes - whether it's exotic Algiers, the dark alley, or the darkened wings of a theater - it all comes down to moneyand murder. One thing's for sure, his expense account isn't the only thing that's action packed! Once again, these digitally restored and remastered episodes are available from the Radio Spirits Archives Collection, featuring re-releases on CD of some of our most popular long-discontinued cassette collections.
