JAKE (author) is a tennis and sports betting expert: and I myself was one of the first folks to bring light to the new market of esports :) I was actually invited to contribute-- but now wish I took it and wasnt so busy at the time! Why, you may ask? THIS IS THE Esports bible. The most Accurate, Up to date approaches to betting winning trends and becoming a profitable esports

better. All in all, This book is two thumbs up- first of its kind- Jake Z is a mastermind and Trey is a fantastic writer. You WONT be let down. Your buddy and honest reviewer- Will :) (the dancing bear) Zcoder for life, esports 4ever! AMAZING job, team! 1 of 1 people found the following review helpful. huge potential making money betting esports By Mike Outstanding book, very detailed and helpful. I dont know if you love esports or never played computer games, there is a huge potential making money betting esports and this books helps you in just that. Jake is very knowledgeable of the sport and provides the winning picks! 1 of 1 people found the following review helpful. AMAZING! By Paula Up to this point I had no clue about eSports in general, I came across this book by an accident and really got into reading it. Esports as a whole is extremely well detailed in there, author does a great job introducing the whole new sport to the audience and then the likes of Teemu add amazing insights on how to make money off this new thing. I'm not a zCode member myself, but I will be looking to join to learn more from the experts after reading this!

With a viewership bigger than Stanley cup or masters and the prize funds of over 200 millions, Esport is quickly becoming the Next Big Thing! Even still, not many are aware of this, but there is serious money flowing through the E-sports industry. The game you love doesnt have to just be a hobby anymore. With the right tools, anyone can be very successful and profitable betting eSports. Our book is designed to jump start your winnings on eSports! We will take you by the hand and show you the most profitable systems and strategies to help you be a consistent winner!
