**Dorothy VanderJagt : Zip-Around Math Games: Ready-to-use, Interactive Activities to Practice Problem Solving** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Zip-Around Math Games: Ready-to-use, Interactive Activities to Practice Problem Solving:

0 of 0 people found the following review helpful. Not really my grade level By Agsunsh1ne This book wasn't as advanced as I'd hope. I teach 8th grade and I think these activities are more 5th or 6th grade. By the way, this book is

the SAME book as Math Connections by the same author. SAME BOOK! Don't order them both.
