**Michael Rymaszewski : Zoo Tycoon 2: Sybex Official Strategies Secrets** before purchasing it in order to gage whether or not it would be worth my time, and all praised Zoo Tycoon 2: Sybex Official Strategies Secrets:

6 of 6 people found the following review helpful. This is a helpful book  
By Tree Hugger  
If you want to be truly successful with Zoo Tycoon 2, you should read this book. There were things I learned that worked WAY better than other things I tried myself. For example, who would have guessed that visitors find standing up in a gazebo more restful than sitting on a bench?! I will say that I am slightly annoyed that some of the more basic information that is in this book is not available with the literature that comes with the game. But I guess it is one more way of funding the game creation process (in the way that paying a parking ticket is a way of funding the good things that your local municipality does!!). But it really does help you make a zoo where the animals and the people are happy. :-)  
0 of 0 people found the following review helpful. Info that the manual doesn't have.  
By Robert Eugene Slick  
Definitely a help in winning some scenarios. Plus other general improve your game info also. Yes I would recommend. Surprisingly good condition.

By S Bear Devitt  
Not a bad hint book,

could be more detailed. One of the few older sims that will run on Win7 64bit. A fun game, altho I think it's too hard for younger kids. Great vendor. Item arrived sooner than expected and in outstanding condition.

Building and ruling the best zoo in the world sure isn't easy--but this in-depth strategy guide gives you all the info you need to build and maintain the world's best zoo. Are you eager to win five-star fame for your zoo? Want to know how to lay out, build, and expand your zoo? Need advice on handling exotic animals and picky guests? It's all in here, along with full info on caring for the game's 30 animals, acquiring special zoo objects, and making your guests so happy they'll be throwing money at you.
